

Navy Club of Lafayette Ship 12

Apr 2016/May 2016 Issue 2

Commander Dave Snyder

Greetings Shipmates!

I hope this newsletter finds you all well. I had the opportunity to attend the Squadron Convention last month. We are still working with National to resolve our remaining membership card issues. Hopefully, most of you have received your new cards either in person or in the mail. We have had a few returned by the post office for address issues, so if you have a receipt and have not yet received your card, please come see us so we can correct things.

We do have a lot of members who are delinquent in their dues. Please come in and get renewed.

The Auxiliary and Associates are doing a great job with all the food and meals we serve here at the Club, whether it be the monthly dinners, Tuesday Nite meals, or the breakfasts. Please sign up to assist. Anyone and everyone no matter what your membership category, is encouraged to participate or at least come enjoy a great meal.

May means Armed Forces Day and Memorial Day, please check out the activities the Club will have and watch for signs to be posted in the Club for more events to honor our military

services and those who made the ultimate sacrifice in service to this great country. We will be looking for parade participants and also volunteers to assist in putting flags at local cemeteries.

Our next Parent Body meetings will be 7 April and 5 May at 1900 hours.

Dave Snyder
Commander, Ship 12

Auxiliary Commander Gretchen Lone

On March 4, 5, and 6, we attended the Indiana Squadron. Ship 12 is holding most of the offices for the Indiana Squadron. It was nice to see that Ship 12 was well attended for this meeting.

I would like to thank everyone who has helped and participated in the meals, deserts, and activities that we have had the last two months. We are always needing help for all activities and appreciate any help you would like to give. Feel free to contact me with any ideas, or concerns you might have and we will try and take care of everyone.

We have the steak dinner on April 2nd and could use servers and desserts for this dinner. Please contact me if you can help with any of these things. And don't forget our Memorial Day activities that are coming upon us very quickly.

Our Auxiliary is always eager to help in any way we can. Hope to see more Auxiliary members come to our meetings and volunteer some time to keep our club a fun place to be.

Gretchen Lone, Auxiliary Commander

From the Bar Manager Dawn Fruits

Goodbye winter, welcome spring! I hope everyone is doing well.

I want to take a minute to let everyone know that in June of 2015, Parent Body approved a motion stating that if the bar was not busy (ie, more than 3 people) at 10 pm the bartender could give last call and close down. I have instructed the bartenders to call and apprise me of the situation prior to closing early. If you have any questions or concerns on this, please come see me.

All of the meals are going well. However, I ask for your assistance on a few things. Please come out and support our meals and functions. Also note there are signs posted on the kitchen door asking that if you are not working the event as kitchen staff, please stay out of the kitchen. Many times we get folks who just pop into the kitchen to talk to someone or bring their dishes or trash into the kitchen. Many times the kitchen is crowded and everyone moving around. It is a safety hazard to have personnel in there that are not assigned to kitchen duty. We are trying to keep our volunteers and patrons safe!

Next month we will have the patio seating on the side of the building. Please understand alcoholic beverages cannot be taken off the premises or into the parking lot.

April 30th we will host the Vietnam Memorial fundraiser with the band "South". May 29th we will have the annual Indy 500 carry-in. There will be a sign up sheet posted for carry-in items. On May 30th, we will have our Memorial Day cook-out. Food is free for Navy Club members and Veterans. Cost will be \$2 for all guests. For more details on our events coming up check out page 3 of this newsletter.

Finally, If your birthday is in April or May, don't forget to come into the Club on that day and have a free drink.

Stay safe and healthy.

Dawn

ASSOCIATE MEMBER MEETINGS—There will be meetings for all Associate members on Wednesday, APRIL 6th and MAY 4th at 6PM at the Navy Club. We would love to see more Associates attend and get involved. Your input and opinions are important and we need your help.

Also, in conjunction with the Auxiliary, the Associates have taken responsibility for the monthly steak dinners. We can *ALWAYS* use help with those and our new monthly breakfasts.
